o take over the insurance and real es-ate business of the late Richard Gor-man. In accepting the office Monday one of the prominent workers in the or-canization, and expressed the opinion hat the Putnam chamber could likewise built up into a very strong force for and in the community. He quoted from the by-laws of the chamber to show that its purpose was to advance the general interest of all the citizens, and urged that the membership be made to include men n all walks of life, rather than business nen only. Such an organization, he be-leved, would stand next to the church and the home as the real backbone of a ommunity. All of the newly chosen di-ectors were called on for remarks, and esponded briefly. A feature to which rectors were called on for remarks, and responded briefly. A feature to which attention was called by several of the members is that the organization now includes 10 women among its membership, one of whom is a member of the board of directors.

On the matron, Mrs. D. C. Park.
